Creativity & Depth

***Join me for this
inspirational and creative
weekend. Come deepen
your relationship with
Psyche and enliven your
connection to the inner
Muse. Through Active
Imagination and Creative
Process we will dive deep
into the unconscious and
gain wisdom from the
Archetypes and symbols
that appear.***

***In Tending the figure
represented in your
Wisdom Mask we learn to
invite the unconscious to
make contact with us and
start an on-going dialogue.
This dialogue changes our
relationship to Psyche and
Life.***

***For artists of all genres or
those who are ready to
explore their latent creative
potential. Awaken the
inner muse and your
creative spirit will bloom in
all areas of your life!***
